

Career

11 FEB 2020

At MediaCom we take a holistic view of our clients needs and this extends to helping them recruit for their businesses. Career is MediaCom's team of recruitment marketing specialists, based both in both the London and North offices, collaborating across the WPP network.

Our offering in the recruitment realm covers employer branding, diversity and inclusion, volume hires, early careers and future talent acquisition, as well as more niche, experienced hires.

Working with a team of specialists across all media channels – along with technical experts,

content developers, creative teams and researchers – we are able to enhance your resourcing and attraction requirements with an integrated offering that helps you appeal to the right people with the right experience.

The Career team's experience covers a broad spectrum of industries: Energy, Finance, Broadcasting, Aerospace, Engineering, Automotive, Police and Armed Forces, Charity, Logistics, Retail, Healthcare, Education, Public sector, Telecommunications, Recruitment, Transport, Insurance.
