Haven has been announced as the Official Holiday Partner of Team GB in the build up to the Tokyo 2020 Olympic Games.

The partnership, which will last two years, will give families a chance to experience a slice of Tokyo 2020 at Haven's holiday parks through fun activities, providing a whole host of new experiences to discover as a family.

Team GB Olympians – as well as their mascot, Pride the Lion – will be appearing in parks around the UK, aiming to inspire the next generation of sports enthusiasts and boost momentum in the run up to Tokyo 2020.

The partnership will see the holiday park operator build on their proud British heritage and

commitment to celebrating the Great British coast.

The parks open in March, so if you are looking to book a summer holiday and engage in some great British activities, be sure to check out Haven online.

A special thanks goes to all involved in executing the partnership, we are so excited to see the events come to life.
