After another stellar year as MediaCom has scored an 8 in the Campaign School Report. 2016 saw various new business wins, including the £55 million British Gas account. Other notable wins included Deliveroo and Pinterest.

We were also commended for our commitment to work/life balance by introducing mindfulness and banning emails after 7pm and on weekends, as well as cultivating a sense of commitment and fun among employees.

MediaCom has showcased consistent high performance in the School Report, following years of continuous growth.

CEO Josh Krichefski was among the first to offer praise to the team: "This is a great achievement and recognition for all the hard work you have done over the past 12 months."

Well done to everyone who's played a part in keeping MediaCom at the forefront of the industry.
