The Campaign School Report has ranked MediaCom UK as the no.1 Media Agency in 2018, retaining last year's top position.

The School Report takes into consideration new business wins, retentions, award wins and our commitment to making our workplace as inclusive as possible.

In 2018, MediaCom UK reported an increase of 4% in billings, despite re-pitching for the likes of Sky, DLG, Coke and Shell- to name just a few. To add to this, awards were plentiful, mental health was prioritised and entry level schemes grew in strength.

Campaign awarded MediaCom UK a perfect 9/9, praising MediaCom as “an agency at the top of its game. In 2018 it managed to continue to grow despite its already gigantic size, all

while promoting diversity and focusing on its staff's wellbeing and personal development.”

Thank you to all those who continue to work to keep MediaCom at the top- we are all extremely proud.
